*Do you have a heart for
people in need?*

Needs come in all shapes and forms – some are tall, some are short. Some are sick – physically, mentally, and even spiritually. Some are old, some are newly born. Some are hungry, others are cold. Some long for a listening ear or a warm smile. You already know someone like this. You can help.

Love INC Model – a program that
effectively unites churches,
you, and people in need.
